

Our Seating Plans

These are our most commonly used plans. Sometimes, for certain events, there'll be cabaret tables or seats removed for a sound desk, but we'll always explain the plan and its pricing when you book.

Why are there different prices?

We split our auditorium into three price bands to offer a range of prices based on buying patterns, and where we feel you'll have a great experience. Our ticket prices are subject to change as the theatre fills, so by booking early you can be sure to secure your seats at the best price. For wheelchair users, tickets will match the most affordable price band available at each stage of sale. For their companions/carers, tickets will always be £12. Under 26yr olds pay just £12 anywhere in the auditorium (subject to availability.) Look out for Season Tickets to get the best deals!

Why are the front seats cheaper?

Performers love having the front of the auditorium full for every show and we believe there should be accessible priced tickets for all. There'll always be over 1500 tickets at £12 or less every season!

Why can't I book seats at the back?

If you're booking early we like to reward you with terrific seats, smashing prices and a wonderful atmosphere. To ensure the best experience for both you and the performers, some seats are not offered for sale until seats towards the front of the theatre are sold. If you have any specific access requirements please ask one of our friendly sales team.
